Maryam Yasaei

OFFICE ADMINISTRATOR

Melbourne, VIC
myasaei65@gmail.com
linkedin.com/in/maryam-yasaei
maryamyasaei.com

Frontend developer in Melbourne with more than five years of independent work, fluent in English and Persian. I keep details accurate, write clearly, and finish tasks on my own. I am applying for the full-time Office Administrator role in Knoxfield.

SKILLS FOR THIS ROLE

- **Languages.** English and Persian (Farsi), spoken and written
- **People.** Calls, email, and follow-up with customers, suppliers, and contractors
- **Coordination.** Projects, site visits, crew schedules, and support for a Director
- **Documents.** Ready to prepare quotations and invoices, and to record payments
- **Software.** Word, Excel, Outlook, and Google Workspace
- **Accounts.** Ready to learn Xero, bookkeeping, and bank reconciliation

EXPERIENCE

Frontend Developer

5+ years

Independent · Melbourne, VIC

- Planned work from a brief through to a finished result, and managed my own time and priorities.
- Published my own services website for local Australian businesses, and a personal portfolio at maryamyasaei.com.
- Built a Data Discovery Portal project for TERN, for searching Australian ecosystem information.
- Wrote plain-language content for non-technical readers and kept project details consistent.
- Handled my own correspondence and follow-up, working without day-to-day supervision.

Volunteer coordinator and speaker

2024 – 2025

DDD Melbourne and ADA

- Helped organise sessions, looked after speakers, and assisted attendees at three Australian conferences.
- Spoke at DDD By Night on React 19 features (2024).
- Spoke at DDD By Night on “The UX of AI” (2025), to a room of professionals.

CERTIFICATION

AWS AI Practitioner
